2017 Invoice Newsletter

Every summer has a story... I hope that Clinton Hills is the setting of yours this year! I know that the entire CHSC Board (*see below for names*) joins me in welcoming you all back for what promises to be another great year at Clinton Hills. We have a lot exciting improvements and events in store for this summer!

As part of the 2017 annual budget, the CHSC Board has approved funds to move forward with developing a long-term **Master Plan** for the club. The objective of this Master Plan is to determine how to invest in both short-term and long-term capital improvements in a well thought out and systematic manner. With that in mind, we are asking each member (that means you!) to respond to an electronic survey. By now, I am sure many of you have seen, and even participated in this survey that has been circulated electronically. For those of you who have not yet participated, please visit (<https://www.surveymonkey.com/r/clintonhills2017>) to complete your response. The survey will be open through March 31st. This survey and your responses will be vital in guiding the goals and objectives of the Master Plan as well as the overall future of the club. This is an important opportunity for you to directly impact our club's future. Thank you to all who have and will participate!

Finally, a common plea, the Board would like to encourage all members to invite your extended family and friends to visit the club this year. Year after year, guests prove to be the biggest source of new members to the club. Remember, there is a referral bonus (*see below*) for each new member you bring in, just make sure they mention you upon joining. For any questions or to schedule a tour, please contact our Marketing chair, Louie Schneider, at marketing@clintonhills.com.

Thank you again for your loyal membership and we all look forward to seeing you poolside/courtside this summer!
